

Important notice regarding patient information

As your local PCT closes down on March 31st 2013, patient identifiable data will be transferred to a number of receiving organisations. These include:

- Your local Clinical Commissioning Group
- Greater Manchester Commissioning Support Unit
- NHS Commissioning Board
- Your Local Authority
- Public Health England

All patient identifiable data will remain secure and confidential. This does not affect your GP records.

Access to patient identifiable data is strictly controlled and only available to those who need it. You have a right to privacy. Everyone in the NHS has a legal duty to keep information about you confidential.

If you would like any further information
you can contact:
